A Note from Pastor Derrick

Part 2: Saul 2 Paul
What is Your Name?

When God began a new work in someone's life, he often changed that person's name. Abram became Abraham when he believed and obeyed. Jacob became Israel when he actually told the truth for once in his life. Simon became Peter when he took Jesus at his word and believed him.

In the book of Acts, Luke shifts his focus from Saul the Persecutor to Paul the Apostle for one reason: grace had changed him and now he was going to tell the whole Roman world about it.

People in our community right now need hope that can come only from the goodness and merciful love of God. He's began a work in us. Our very existence as a church demonstrates this. But he hasn't done this, so that we can merely congratulate ourselves. He's done this to help us to see our community and world rightly and make a gospel centered difference in it.

So I ask you: What is your name? And what have you done with His Son?

Rejoice!

One More Thing

Would we know that the major chords were sweet,
If there were no minor key?
Would the painter's work be fair to our eyes,
Without shade on land or sea?
Would we know the meaning of happiness,
Would we feel that the day was bright,
If we'd never known what it was to grieve,
Nor gazed on the dark of night?

Many men owe the grandeur of their lives to their tremendous difficulties.

--C. H. Spurgeon

When the musician presses the black keys on the great organ, the music is as sweet as when he touches the white ones, but to get the capacity of the instrument he must touch them all.
