Today's Message

Thanks to Gene Hurst for taking us on a journey to learn what it means to be a Christian community. One that was modeled by Jesus Christ. A community where the ministry is free to take place and allows the Holy Spirit to move and work amongst its members and changes lives & develops disciples & teaches them how to disciple others, and where all the individual parts function in harmony as one body. Not perfect people, but people led by a perfect God and a perfect Savior.

Please keep Pastor Derrick and family in your prayers for a safe trip home after a short getaway.

Leadership of 4Kids Treasure Coast thanks Genesis Church for generously providing some of the basic items and necessities to children in our community who are in foster care. Newly purchased clothing and bags are now ready for delivery thanks to you.

Happy 73rd Anniversary

Fanny & Gaylord

Gaylord and Fanny met in 1944 in Manhattan, NY where Fanny worked at the Lykes Steamboat Company. He thought she was so sweet and beautiful and after a few months of dating he wanted to marry

her. However, he was serving our great Country and had been chosen to attend the Merchant Marine Academy in Kings Point, NY. Students of the Academy are not allowed to marry until they graduate. Fanny encouraged him to follow his dream as she knew how much he loved and wanted to serve his country. Upon graduation, he was sent out to Sea for 60 days. Finally on July 28, 1945, Gaylord and Fanny were married. During their married life, they resided in several states and landed in Florida in 1999. They have three sons, four grandchildren and two great grandchildren. Gaylord will be 94 years old in December and is still completely devoted to his "Sweet and Beautiful" Fanny. They currently reside in Melbourne and make the trip to Genesis every few weeks as they both love their church and church family. When you see Fanny and Gaylord, please wish them a Happy 73rd Anniversary.

PROJECT SERVE

to love is to serve

A few of our Genesis Church Youth left this morning for Roberto, GA for a week of hard work serving others through Project Serve. This week of activities will offer each of them an excellent leadership development opportunity. It will be a week of working behind the scenes with minimal recognition and providing an opportunity for personal, social, emotional and spiritual growth.

Let's please keep the Team Leaders, Libby Sanderson and Jon Hurst, and our young people - Kal Liotta, Hunter Kastensmidt, Lindsey Kastensmidt, Victoria Palm, Sarah Crawford, Aidan Heaney and Ethan Sessoms in your prayers this week as they all Serve, Work and Play.

One More Thing:

Christ sometimes delays His help that he may try our faith and quicken our prayers. The boat may be covered with waves, and He sleeps on; but He will wake up before it sinks. He sleeps, but He never oversleeps; and there are no "too lates" with Him.

-- Alexander Maclaren

Operation Christmas Child

Kathi DeGroat has given a whole new meaning to "Christmas in July". She is heading up the Shoebox Project for Operation Christmas Child this year and will have our Shoeboxes ready for pickup next Sunday complete with instructions regarding the items that are appropriate to ship for each age group. Then the fun begins. We will have almost 4 months to "Shop and Pack" for shipping during the week of November 12th. Then the amazing journey of the Shoebox will begin. Cost to ship each Shoebox is \$9
