A Note from Pastor Derrick

Saul 2 Paul - Part 1

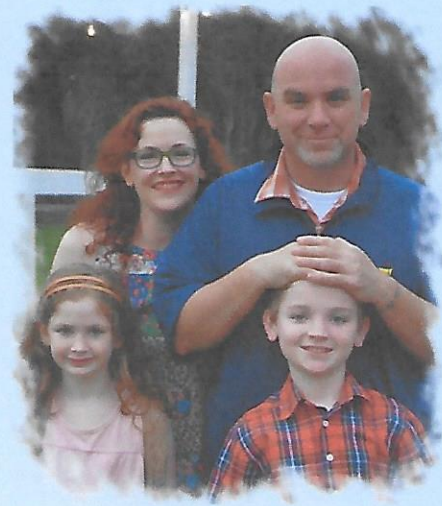

In Scripture God often chooses what is foolish to perform his greatest work. It is also why 80% of your New Testament was written by the last person I would have chosen to be the greatest missionary in the history of the world. Next to Jesus, his impact on the history of the world has been unrivaled and unmatched. We call him Paul and we meet him today.

Operation Christmas Child

As promised, Kathi delivered the Shoeboxes for our Operation Christmas Child Project - complete with all the instructions you will need to fill and pack your boxes for distribution to these wonderful and appreciative children in faraway lands. The amazing journey of this simple shoebox begins with you and results in Evangelism, Discipleship and Multiplication.

And - Remember you have until **November 10th** to purchase the contents, pack the Shoebox and deliver it back to the church on Sunday, **November 11th** so the shipping process can begin that week.

PROJECT SERVE

to love is to serve

Libby reports that The Project Serve trip was incredible. She reported that the students grew closer to the Lord by being his hands and feet this past week. They were able to meet other young believers and serve alongside them in unity. They memorized scripture from Philippians 2 to encourage one another when the work was hard and the days were long. They would also like to thank the church for supporting them on this trip and praying over them. And, please continue your prayers for Libby as she goes to Camp for another week of adventures.

ONE MORE THING-

We once saw a man draw some black dots. We looked and could make nothing of them but an irregular assemblage of black dots. Then he drew a few lines, put in a few rests, then a clef at the beginning, and we saw these black dots were musical notes. On sounding them we were singing,

"Praise God from whom all blessings flow,
Praise Him all creatures here below."

There are many black dots and black spots in our lives, and we cannot understand why they are there or why God permitted them to come. But if we let God come into our lives, and adjust the dots in the proper way, and draw the lines He wants, and separate this from that, and put in the rests at the proper places; out of the black dots and spots in our lives He will make a glorious harmony.

Let us not hinder Him in this glorious work!

C. H. Spurgeon
