## A Note from Pastor Derrick

Until I, Deborah, Arose A Mother To Israel

A Mother's Day Message for Us All

Judges 4-5

Happy Mother's Day! Once upon a time, there was a mother in the Bible whose name means "Queen Bee." God used her mightily; calling her to do something for her people when those who should have done something did nothing. Her name was Deborah and we know her as one of the judges of Israel. Today we learn her story so that we, as his people, may stand and be counted when God gives us an opportunity.

What This Queen Bee Did:

1. She did something when those who should have done something did nothing.
2. She did something so those who followed her will do something when they can and should do something.

Why God Used This Queen Bee to Accomplish His Work:

1. Faith among a faithless people.
2. Believed God so others will believe him also.

*How wonderful it is that  
nobody need wait a single  
moment before starting to  
improve the world.*

# PRAYER

## PLEASE CONTINUE TO PRAY FOR

Don Randall as he continues his journey to  
complete healing and, Ken & Celeste as they  
continue their trip.

As many of you may know - the name of the  
Freeman's boat is "God's Grace". Ken says that  
God's Grace is a little behind schedule -- but we  
know that our God has sufficient Grace for them  
and will orchestrate their circumstances according  
to his schedule that included this breathtaking shot  
of the sunset because he put them at the right  
place at the right time.

There is still a need for assistance  
in the nursery.

Please let Libby know a date that  
you might be available.

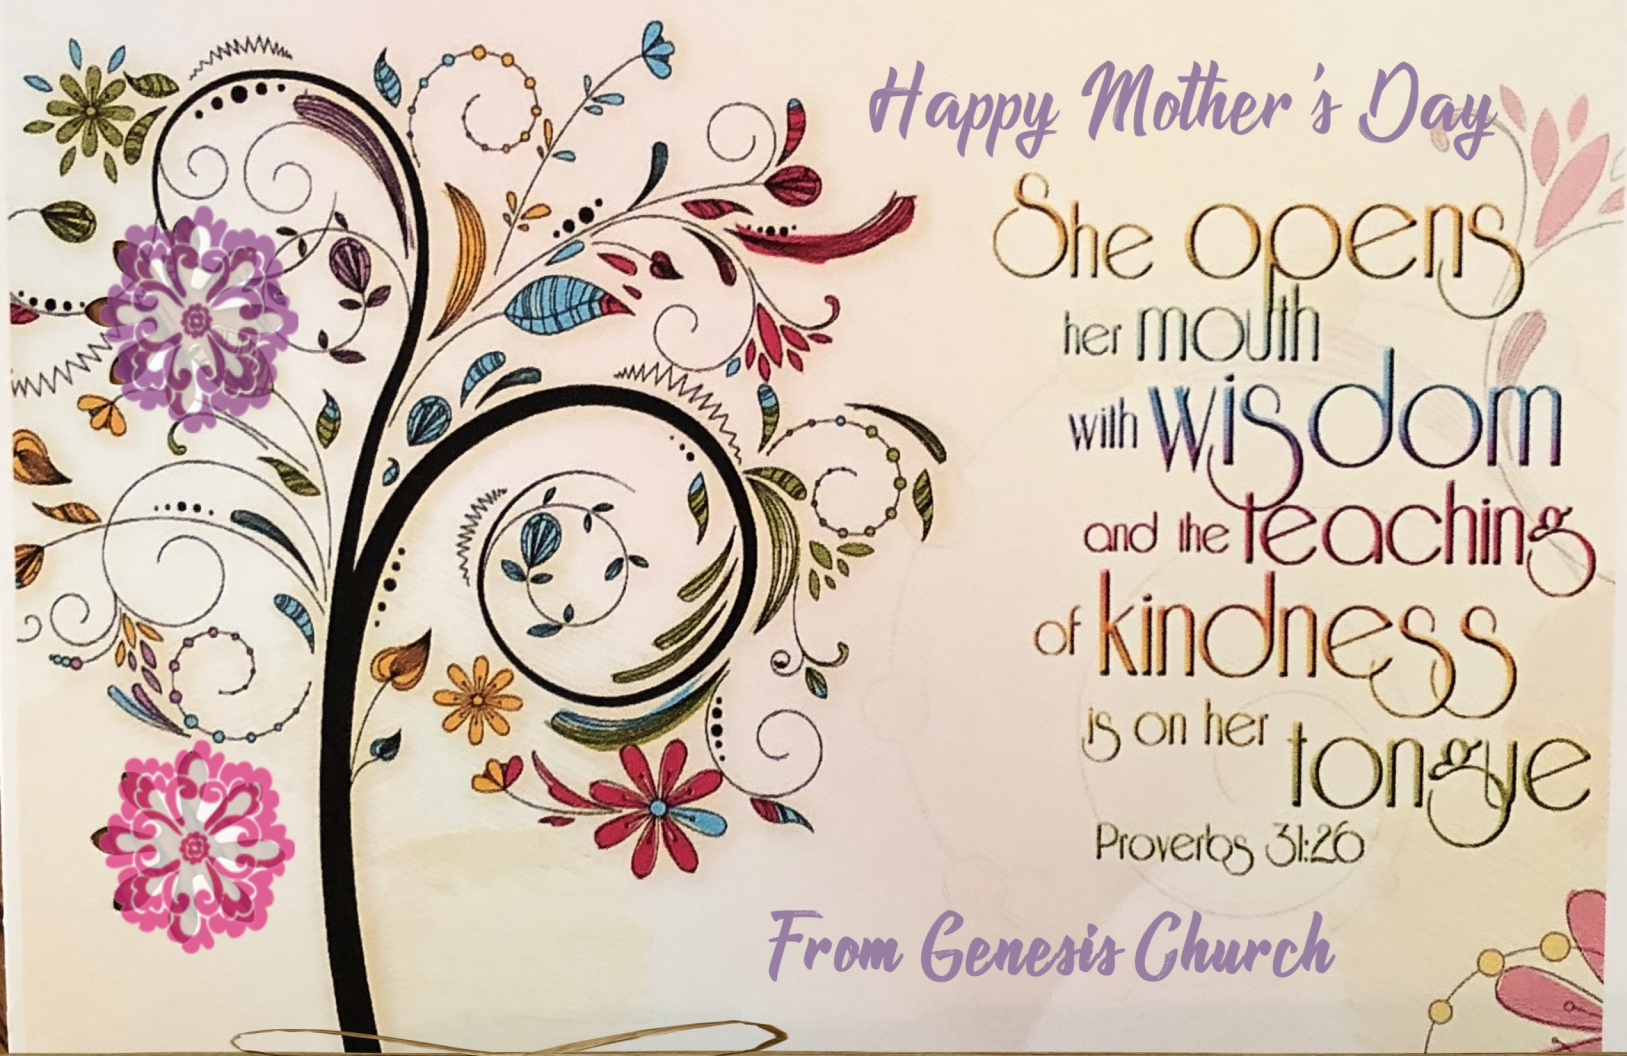

There is a sign up sheet at church  
or send an email.

**One More Thing...**

**"God keeps His choicest cordials for our deepest faintings."**

**"Stay firm and let thine heart take courage" (Psalms 27:14)**

Stay firm, He has not failed thee  
In all the past,  
And will He go and leave thee  
To sink at last?  
Nay, He said He will hide thee  
Beneath His wing;  
And sweetly there in safety  
Thou mayest sing.
