Understanding the Problem of Suffering Through the Lens of Leprosy
Leprosy Series Conclusion
Selected Passages

Derrick, if God is so good, why is there so much suffering in the world? Why is there so much pain - it seems - in my life and in the lives of others, particularly those who profess belief in Jesus? How can the Biblical God that you say is good allow this?

Those are the most difficult - and yet most common - questions I get from people in general about the Christian Faith. Why? They are voiced by those who have experienced pain in their lives and are trying to understand how the issue of faith can be reconciled with human suffering. That's why.

I don't know if a 30-minute message can answer the most heartfelt questions in human history, but I shall try today by looking at them through the lens of what we've studied over the last two months: leprosy.

Leprosy

(Problem) Started with numbness and lead to no receptors to warn of danger

(Solution) Pain is a valuable gift; without it we are unable to recognize something is wrong

(The Miriam and Gehazi Examples) - Numbers 12:10; 2 Kings 5:27

(Problem) Spread with the intent of permanently damaging our sight, skin and vital organs

(Solution) Biblical faith must start with an admission of an inability to cure sin on our part

(The Naaman Example) - 2 Kings 5:14

(Problem) Lead to severed relationships with God and every human relationship on this earth

(Solution) Jesus entered our leper colony to restore us to Him and others because He's the seeker and healer.

(The Uzziah and First NT Leper Examples) - 2 Chronicles 26:21; Matthew 8:3

(Problem) Meant that a leper couldn't hide his leprosy

(Solution) The love of Jesus covers a multitude of sins

(The Samaritan Leper and Simon the Leper Examples) - Luke 17:16; Matthew 26:6

WEEK OF PRAYER FOR OUR FLORIDA CHURCH PLANTERS

Week of Prayer: Sept 8-15, 2019

This offering is dedicated to funding new initiatives in Florida (partnership between Florida Baptist Convention and the North American Mission Board).

In this initiative, this partnership calls for a greater Kingdom vision with:

more engagement
more commitment
more involvement to reach all of Florida
Together, let's help our Florida Church Planters!

Why? Because 75% of Florida's 21 million population—15 million—do not have a saving relationship with Jesus Christ.

State Goal: \$830,000

100 percent of the State Mission Offering will be earmarked for church planting, church revitalization and church restarting in South Florida
No funds are allocated for promotion

MERRY CHRISTMAS

One More Thing..

They that go down to the sea in ships, that do business in great waters; these see the works of the Lord, and his wonders in the deep (Ps. 107:23-24).

He is but an apprentice and no master in the art, who has not learned that every wind that blows is fair for Heaven. The only thing that helps nobody, is a dead calm. North or south, east or west, it matters not, every wind may help towards that blessed port. Seek one thing only: keep well out to sea, and then have no fear of stormy winds. Let our prayer be that of an old Cornishman: "O Lord, send us out to sea--out in the deep water. Here we are so close to the rocks that the first bit of breeze with the devil, we are all knocked to pieces. Lord, send us out to sea--out in the deep water, where we shall have room enough to get a glorious victory."

--Mark Guy Pearse

Remember that we have no more faith at any time than we have in the hour of trial. All that will not bear to be tested is mere carnal confidence. Fair-weather faith is no faith.
